## FROM PASTOR ANDY BOE

Following are some thoughts on the Sunday Bible Texts for Syttende Mai Weekend (May 19, 2019) in Woodville. I think the three "Visions" presented in these Bible Verses are important for use as we move forward in our Christ inspired mission here at Zion - "To Serve the Lord, To Care for All, and to Spread His Word!"

The First is John's Vision recorded in Revelation 21 - God's dwelling place is in the midst of God's People - God Incarnate. This is given to us as God's Gift in our Baptism, the "water of life." We are now, and forever, the Children of God! Nothing in body, mind, or spirit can ever take this gift of God's Grace from us!

The Second is Peter's Vision recorded in Acts 11 - The message of Good News and Freedom in the Gospel is for every creature in all of God's creation! We are to be "Inclusive" in our understanding that everyone with whom we make contact is a participant in all of God's gifts! The community of faith has one mission - to share the Good News with all people!

The Third is Jesus' Vision recorded at the Last Supper in John 13 - Jesus says the "New Commandment" I give to you is "Love one another." Jesus' self-giving, and serving all Love, is special. The new part of this love is that now it is God's Love which is given to all in the example of Jesus, who we know as the Risen Christ. Jesus' love reaches out to touch and include all!

The issue I see for us as Members of Christ's church is this: We want to, and do, say - "Yes Lord!" However in our practical application of Jesus' loving and serving all - Saints and Sinners! - We tend to say "Yes! Lord! - BUT!" We understand what Jesus is asking, BUT surely it can't be for everyone?! So I labeled this Sunday of Syttende Mai - "Yes, Lord! - BUT - UFF DA!" God's love is wonderful and meant for all, but it is really hard for us to follow completely the example of Jesus in our own lives, individually, or as a congregation at Zion.

My prayer for us is this. God help us to be strong and supportive of one another, listening to your Word, and making what you say to us practical in our daily lives! God help us to change and transform the "BUT - UFF DA!" to your LOVE, FORGIVENESS, AND HOPE FOR ALL! shown by our daily example!

Thanks for your help at Zion!

Pastor Andy Boe

**We would like to thank everyone** who helped us with the passing of our son Brian. Words cannot express kindness by visits, food, cards and prayers. Special thank you to Pastor Anderson, Kari, Elizabeth and David for their special help. To the ladies who served the dinner and all the people at Zion for prayers and support. God Bless you all.

Jim, Lois, Brenden, & Kristine Sturgul

As president of the Zion Cemetery Board, I would like to extend a sincere thank you to several residents and local businesses who have reached out and continue to help us in maintaining our cemeteries in Woodville.

First off, thank you to the Baptist Church Wednesday night youth group and Pastor Dennis Tapp for their generous volunteering efforts helping to clean up Sunset and Lone Pine Cemeteries this spring. We greatly appreciated your many hands!

Secondly, with fresh flowers being brought into the cemetery the next few weeks, it's fitting to give a shout out to a couple of our watering angels, Janet Aaby and Roxie Grinnell. Between Janet hauling milk jugs filled with water in her van and Roxie carrying her garden hose across the cemetery lawn, they have kept many flowers blooming over the years. Thank you! I know there are others who stop by to water not only their loved ones' pots, but the surrounding flowers, too. Your thoughtfulness is appreciated!

Leaf removal at the cemeteries has been difficult over the last few years. With the weather not on our side between early snow in the fall and yet another wet spring, it is not easy to have the cemeteries in excellent shape for Mother's Day and Syttende Mai, but that is our goal. Of course, if money were no object, it may be less daunting. We have hired lawn services to complete the work in the past. This year we were notified the Wednesday prior to the Syttende Mai that the service hired was not able to complete the work. This left the board looking for other options on very short notice, hoping now to have the cemeteries in respectable shape by Memorial Day. Another shout out to the community members that stepped up to make this possible - thank you to Keith & Shelly Tollefson and Adam & Aleshia Bowen for their hours spent at the cemeteries this week, and to Crystal Tollefson and Kinni Sport & Power for providing equipment at the cemeteries this week.

If it weren't for the Albrightson Excavating family for snow removal and digging graves during the winter months, winter burials would not be possible. Your prompt top dressing of the grave sites this spring has not gone unnoticed. Thank you!

To Larry Johnson, for recently agreeing to donate your time mowing the Southside Cemetery, and to Cody's Mowing, for future mowing and trimming of Sunset and Lone Pine - thank you!

To the Village of Woodville, for the extended hours at the compost leading up to the festivities this weekend, thank you! To Hammond Monument, for the straightening of old stones at a reasonable cost. With no family contacts anymore, the cemetery association is left with the expense of maintaining old stones to keep them from falling over and breaking - you make that possible. Thank you!

To those who have given monetary donations in memory of loved ones, thank you!

To the cemetery board, past and present, for the monthly meetings and for your time spent at the cemeteries throughout the year, thank you!

On behalf of the cemetery association, I thank you for the many hours dedicated to preserving the cemeteries and giving our loved ones the beautiful resting place, they deserve.

Kelly DeGross

**THANK YOU!**
